Approximate Hours: 10-15 hours

CHURCH PROFILE

West Village Church exists to make Jesus known. We were planted in 2011 and have grown and multiplied into 2 separate churches made up of several missional Community Groups that are scattered across our city. These Community Groups (CG's) see themselves as 'a family of missionary servants sent to make disciples who make disciples.' These communities reorient their lives around the daily rhythms of the people they are reaching with the Gospel with the sole intention of making Jesus known. On Sunday's these Community Groups gather together for communal worship, equipping and communion.
